Eiler
I wish you in
the future you
will pull it
out & I'll
run over you
you are cool girl

Alex,
I never took
a picture of you
good to good
old. See you

See how you found
out about (lot more)

See you real
well girl. See you
this summer and will
see you next year

Alex

See you next year

To Eileen!
You a wonderful
person. Have
a wonderful summer
and please don't break
any more bones!

Yday Murphy

Glen,
It sure has been
nice drawing you this
year and I wish you all
the best and I hope to see
you next year.

Marlene

Eileen,
I don't know you
very well yet. I
hope you get better. I wish
you to see you next
year. I am young
I guess
I Rosey
but does anyway

Jeannie

Certainly have been your
nice to know you's
Hope you have lots
of luck Anna Anderson

Good luck to "Dawn"
a sweet girl and "Dawn
brain"

Try sugar Dawn, you look
wonderful and happy
going off today
you'll go far I expect
or just speak

Well, we're very
glad we could help
both to gift & another
one to take care of
Best of luck to you all
the girls to come.

High School . . . Retold by the staff of . . .

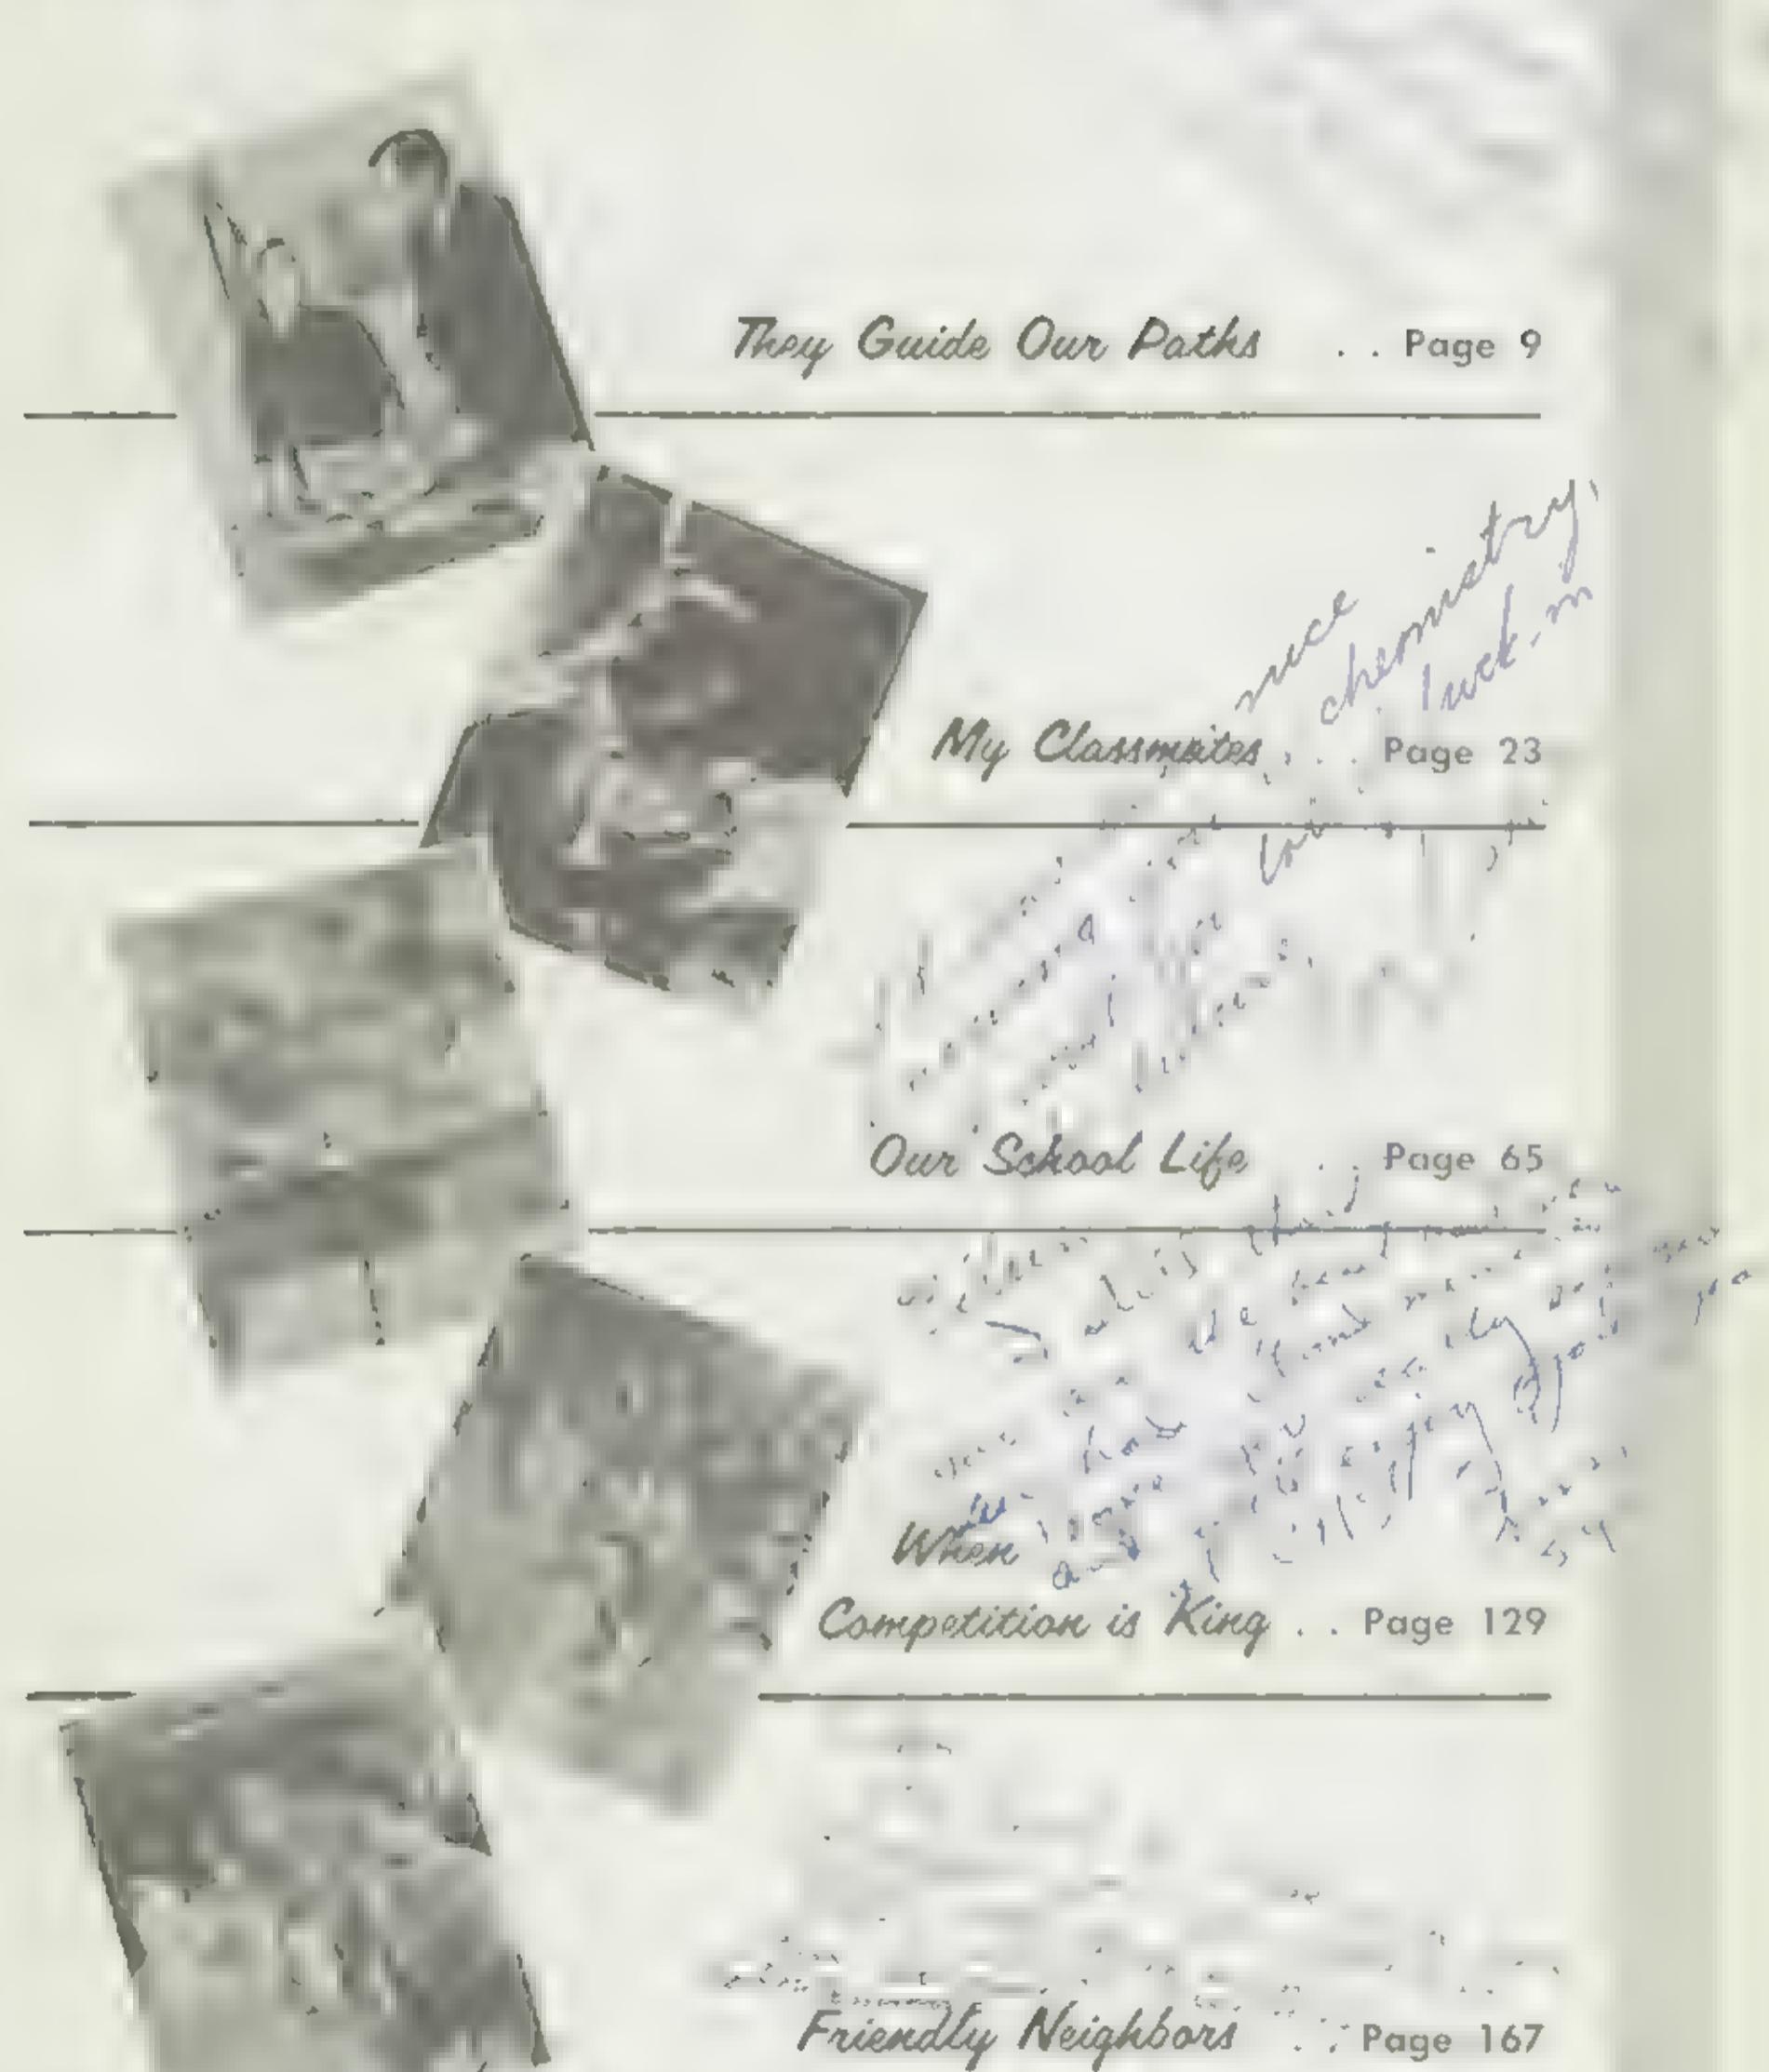

Foreword

SEPTEMBER OF 1957 was an occasion not to be forgotten in the life of a French foreign exchange student. This petite, dynamic blond by the name of Jacqueline de Vulpian, nicknamed Jackie by her new American friends, became the first foreign exchange student to grace the campus of Camelback High School. Through the pages of this book we, the staff of THE SHIELD, wish to show how Jackie quickly adapted herself to the ways of life of the American teenager and became a vital and active part of our student body.

Cheerio & welcome

We have had a lot
of fun this year
I hope to see you
next year
Lots of love

In Memoriam

CURTIS MUNSON

RICHARD HENNESSEY

The hot trombone that passed his lips
Shall know his notes no more,
For a car came along on an evening trip,
And fate had closed the door.

On the blonde headed kid with his golden trombone,
The guy that everyone knew,
With scarcely a worry to call his own
And always something to do.

The guys who played at his side each day
Know his is a place they can't fill,
And the dance band small, though good as they
play,
Has grown even smaller still.

The boy that was liked by everyone,
You can see his spirit shine,
Has finally found his place in the sun
In the palm of a Hand that's Divine

The sadness of a memory
Drifts slowly through our minds,
Our sorrowed hearts in sharp decline
Slow down their quickened beat.

For silent fate has stilled the clock
From which came joyous times,
And time has caught and slowed to naught
Those swiftly running feet.

They Blueprint Our Plans

THEIR LEADERSHIP and guidance is responsible for the national acclaim enjoyed by the Phoenix Union High School and College District.

They take time out from their personal jobs to hire school personnel, set their duties, arrange their pay and plan the overall policies of the school system.

We would like to offer our appreciation to This, our School Board, for a job well done.

LEADING FOR this year are: Eddie Spicer, vice president; John Myers, president; Diane Davis, recording secretary, Karen Greenfield, financial secretary

THIS YEAR THE SENIORS had a big success with the sale of class pins to all classes. There was such a tremendous demand for them that the supply ran out sooner than expected and more had to be ordered.

A Rodeo Dance was sponsored by the Seniors for all classes, March 12, in the gym. All were dressed in their festive western garb. The highlight of this dance was the beard judging contest won by two of our own Seniors — Joel Muzzy and George Coleman.

The annual Freshman - Senior Talent Assembly worked out well and brought out many varieties of accomplishments.

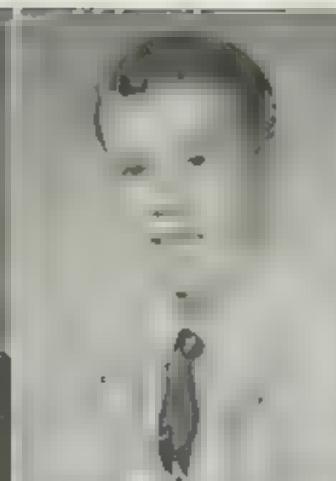

The Seniors were honored and received awards at their Senior Farewell Assembly.

The All Night Party took place at Paradise Inn following the graduation exercises. Everyone seemed to enjoy himself thoroughly.

The Senior's gift to the school had not been decided upon at the time of publication.

We wish to give our thanks and also our best wishes for the future.

MEMBERS OF THE SOPHOMORE CLASS COUNCIL are Front Row, Larry Barron, David Nelson, Tom Gifford, Ken Boozer, Back Row: Betty White, Karen Cristea, Marilyn Johnson, Sherry Harper, Val Robichaux, Gail Hau mont, Jack Sharp, Donna Bung, Phyllis Apro, Mary Hershey, Gayle Gerrard, Roger Miller, Vicki Ekdahl, and Sue Finley

Class of '60

LEADING THE Sophomores for this year are, Front Row: Jack Sharp, president; Back Row: Sherry Harper, vice-president, Sue Finley, recording secretary, Gayle Gerrard, financial secretary

THE SOPHOMORE CLASS sponsored a bake sale, in order to raise money for the Junior - Senior prom, which they will be giving for the Seniors next year.

A contribution was given to the Foreign Exchange Fund, as was done previously.

The Sophomore - Junior Talent Assembly had a good showing from both classes. It was received with real enjoyment by the audience.

Other activities were held, but were not planned at the time of publication.

THE ARISTOCRATS Front Row: Louie Giannardo, Ronnie Wasem, Gary Weston, Land Wayland, and Gail Walston. Second Row: Joe Ritter, Con Englehorn, Fred Miller, Bob Dorn, and Bob Burke. Unseen at the piano is Bob Hoov. Having a little fun on the rhythm are Lynn Bower on the bass and Tom Ruddick on the drums. 'Hey Kiddies It's a Ford' Here Pat Linder is seen doing one of the many acts viewed by the students at the assembly. The pantomime 'If You Don't Know I Ain't A Gonna Tell You' is a real cute little act with a catchy tune in the background.

There's Talent at Camelback

"THE ANGELS" Suzy Gerber, Vonnie Gastineau, and Cynthia Detra show their singing talents for the entertainment of the students. The Angels are a newly organized trio that sing with the "Aristocrats" at assemblies and other school functions.

THE SOPHOMORE JUNIOR Talent Assembly held March 27th was one of the best in Camelback's history. A variety of talents were on display for the enjoyment of all. Many tried out for the show and competition was keen. Each performer did his act with skill and ability.

We are proud to have this quality of TALENT AT CAMELBACK

PRESENTING THEIR two-piano duet are Janet Risk and Marlen Womer. Other numbers were offered by other students. One piece played was composed by a student, a member of the Aristocrats.

LEADING THE Freshmen this year are: Patsy Porter, treasurer; Susan Quail, secretary; Bob Dorn, president, and John Eubanks, vice-president.

THE FRESHMEN CLASS had made a good start this year as their first year in high school. They have become true SPARTANS, and we are proud of them.

Their first activity was a Freshmen Mixer. This dance was held especially for the Freshmen, in an effort to get them acquainted with one another.

February 14, after a game, a Sports Dance was sponsored by the Freshmen, which the whole school enjoyed.

The Senior - Freshmen Talent Assembly was held jointly for all classes, and lived up to everyone's expectations.

Class of '61

MEMBERS OF THE FRESHMEN CLASS COUNCIL, Front Row: Patsy Porter, Gayle Bishop, Bob Dorn, Harvey McCue, Dianna Freeman, and Nancy Hamay. Back Row: Mr. Clark, sponsor, Susan Quail, Daryl Henry, Douglas Smith, John Eubanks, and Larry Gartin.

OUR SCHOOL LIFE

When it's left
it will be the sweet
gold success of the year,
Leaders of Tomorrow

STUDENT BODY OFFICERS, Jim Sourant, President; Lu Craig, Vice-President; Yvonne Gastineau, Executive Secretary; Roberta Agnew, Corresponding Secretary; and Suzi Gerber, Financial Secretary (from the top) were really stacking things high when the photographer caught them. We're sure that among these merry things, their accomplishments as here listed were only a beginning.

They visited various student councils throughout the valley and attended meetings of the Salt River Valley Presidents and Vice-Presidents Association, which was sponsored by Camelback. The association is composed of all the student government leaders in the city.

The most time consuming project the student council participated in this year was the "Toys for Tots" drive. For weeks they encouraged the students to bring toys as contributions for the drive, which was ended with a dance called "Toys for Tots Trot". Entrance requirement was one toy per person.

These students have done a fine job this year and we all congratulate them.

PARNASSUS is an honorary society to which students with a semester grade average of 15 or better may join.

The club activities for this year included a Christmas family and an initiation of new members. The initiation is a new project which is hoped will become a permanent tradition of the club.

NATIONAL HONOR SOCIETY members are Front Row James Allen, Fran Anderson, Clare Bertram, Robert Brammer, Sharon Cawley, Carla Coan, Lorraine Crawford, Marilyn Davis, Carol Dwyer, Ann Evans, Tom Foye, Sue Gerber, Alice Harey, and Ray Hoag. In Second Row are Karen Johnson, Mary Beth Lister, Joan Kennedy, Gisele Kromer, Barbara Mikes, Jim Neve, Bradley Norman, Penny Paine, Robert Parker, Valerie Peterson, Virginia Poo, Robert Reade, Barbara Roff, and Cary Scott. Third Row includes Charles Sharp, Elizabeth Stiles, Diane Scott, Rose Szwed, Vicki Stevens, Carole Ann Stoile, Sharon Teufel, Jim Thomas, Carol Trout, Robert Wheeler, Alvin Wolff, Linda A. Yasso, Ruth Ann B. and Sandra Carlisle, Diana Kay Crandall, and Emily Frazier. Back Row Mr. Anderson, school director, is at Dan Corman, Karen Klemmer, Julie Leech, George Soeller, Teddy Mezzy, Nolin Farmer, Wesley Press, Eddie Rizzo, Peter Zito, Elizabeth Szwed, Janet Sucato, Ward Swanson, Randy Ware, and Dennis Yee. Members not pictured are John Alsever, Charles Fox, Elizabeth Garretson, Janet Kirk, Roger Wiese, Pete Drake, Michael Rosen, and Donna Griffin.

Leadership . . . Scholarship . . .

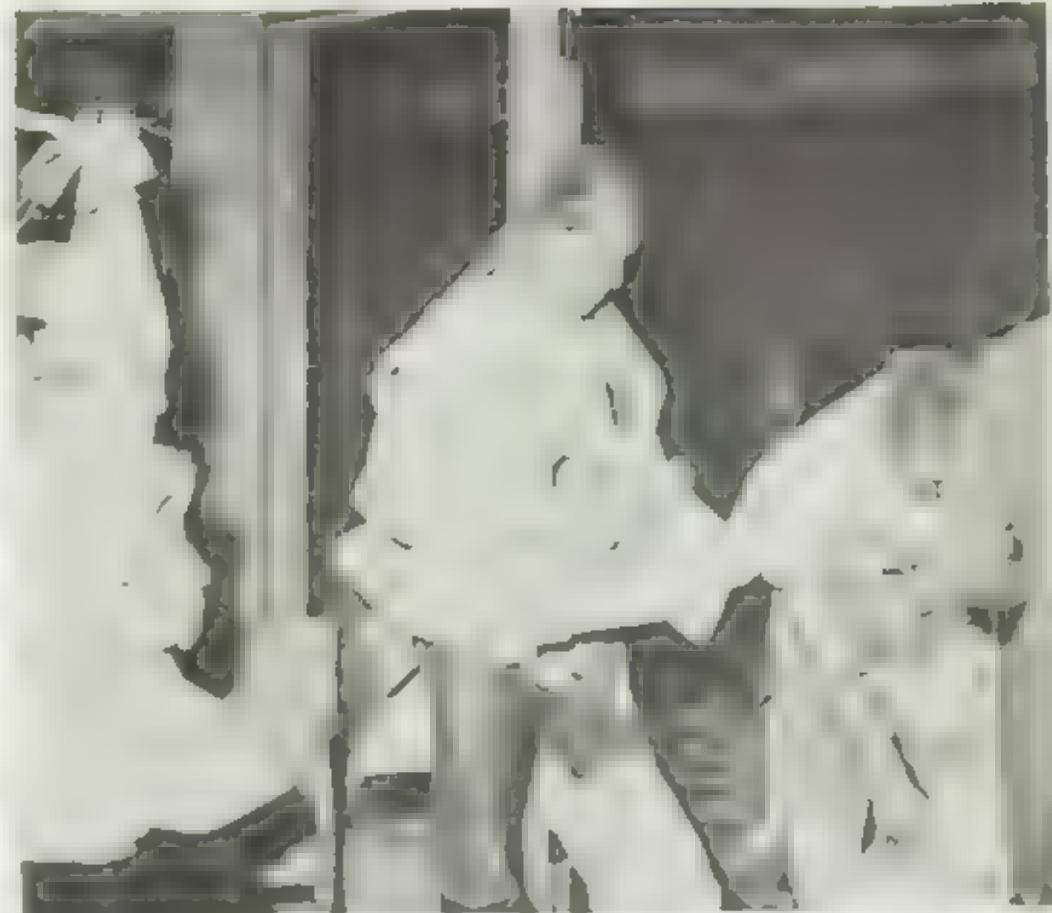

FACULTY MEMBERS chose National Honor Society members this year, as every year, on the basis of their high scholarship, constructive leadership, purposeful service, and worthy character. Being a member of the National Honor Society is the very highest honor which a high school student can attain. He is encouraged to render service to the school and to the community, and is a preferred candidate for a college scholarship and admission to college. The society has a scholarship fund with which it encourages the continuance of education.

National Honor Society members decided this year they wanted to have an activity, so they helped sponsor the "Mile of Dimes" for UNICEF in November.

SPONSORS representing the National Honor Society in the UNICEF "Mile of Dimes" are Bob Reade, Joan Johnson, and Marilyn Davis. Other spectators are Ken D'Arcangelo, John Sucato, Jim Sourant, and Stu Young.

THESE GOOD SPORTS are, Georgia Pohle, David Hurlbert, and Jay Armer, who are helping contribute to the liveliness of the second semester informal and formal initiation of Quill and Scroll

THE MEMBERS of Quill and Scroll compose this International Honorary Society for High School Journalists. To be a member, a person must be in the upper third of his class and have worked on a school publication for at least one semester.

An initiation at the beginning of the year inducted half the members of this year's society. Another, following in February, completed the membership.

WHO SAID PUTTING out a yearbook was easy? Most people don't realize just how hard it is! Pages have to be planned, pictures arranged, and deadlines met. This is not an easy job!

It takes a staff of capable people who are willing to give up their time and extra-curricular activities. Many hours after school are put in by staff members in order to get the yearbook out on time.

Great sighs of relief could be heard for miles around at the picnic held at the end of the year for the staff. This event is looked forward to by all throughout the year.

EVER TRY TO DECIDE on a cover for a yearbook? Whew! It sure isn't easy! There were so many beautiful covers and clever ideas for a theme.

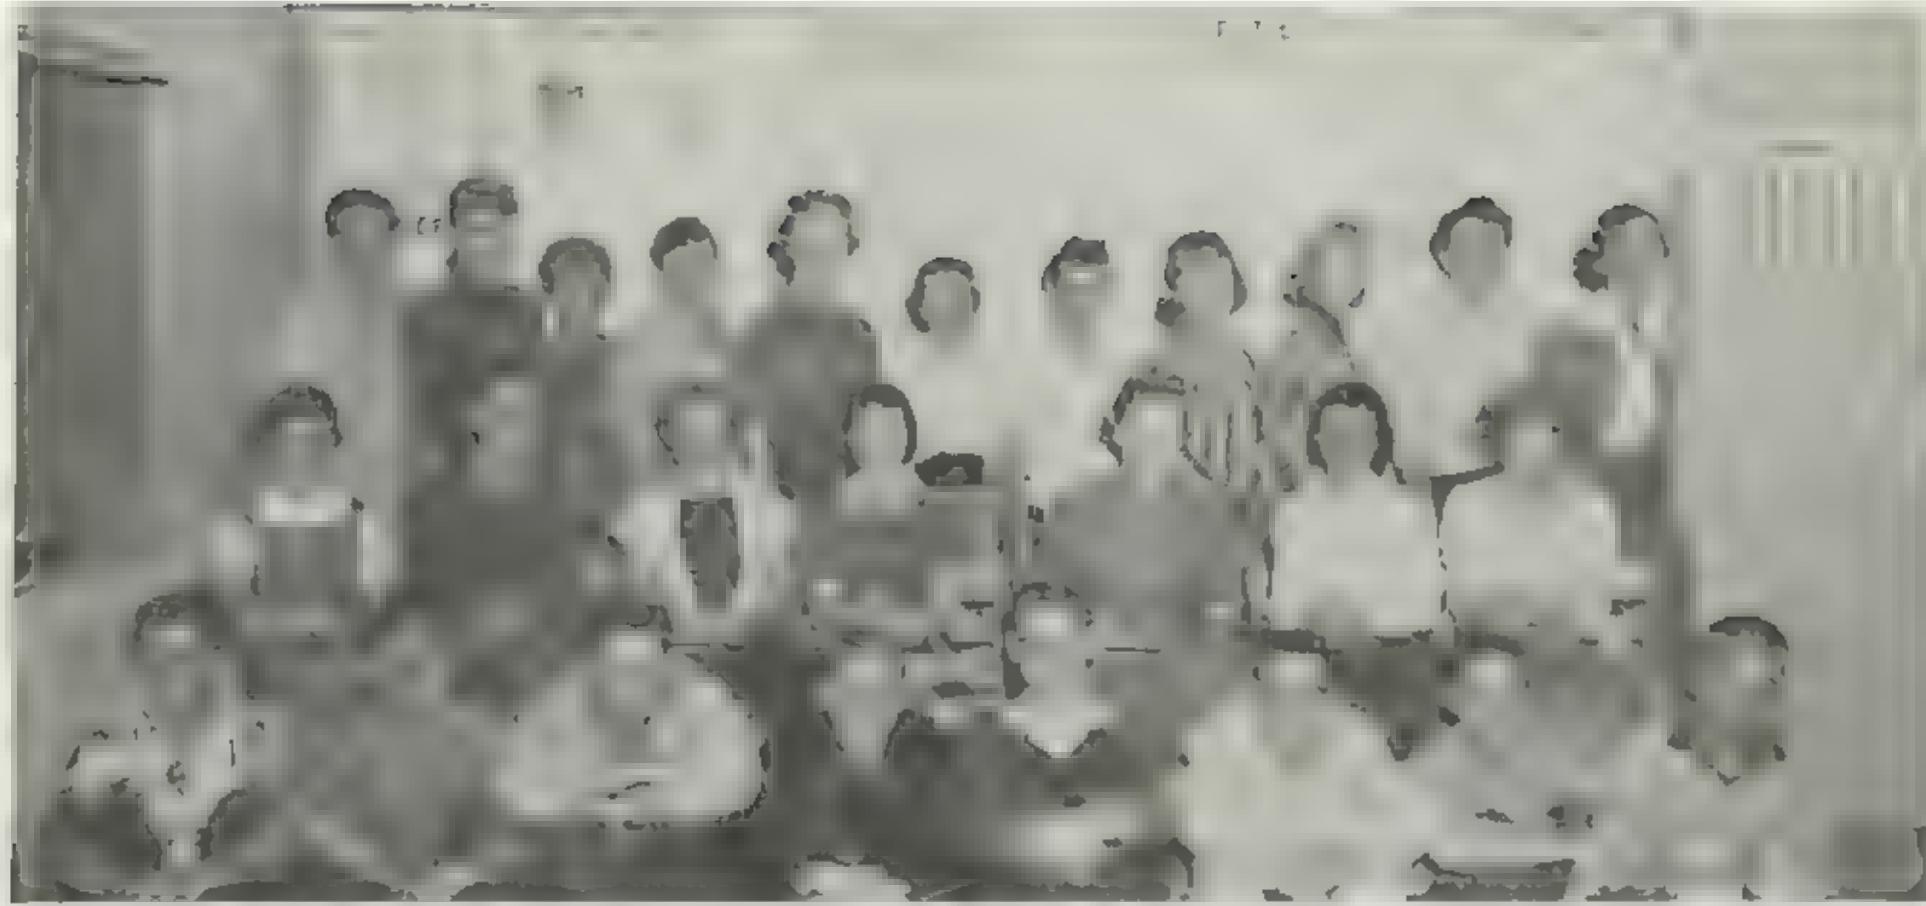

We finally decided on "a foreign exchange student at Camelback" for our theme. As you know, our foreign exchange student this year was Jacqueline de Vulpian, from France.

The idea of the cover was chosen to symbolize the meeting of our two countries.

and Reap the Rewards!

THE BLADE STAFF is on the move. They work very hard to get the Spartan Blade out every two weeks. The Blade contains many interesting articles of the events, news, sports, and some articles of the students and faculty.

The staff may work hard but they have fun doing it. They learn many interesting things about making a good paper. By learning this, the staff has given the Camelback students a wonderful paper.

Football Girl Stars In Play

Up rises the curtain on Camelback High's first all-school play "Line Out For Ginger" which will be presented Feb. 26, 27, 28 and March 1 at 8 p.m. in the Drama Building.

In this rollicking comedy Bo Bodine portrays a 15-year-old sophomore girl, Ginger, who tries out for the football team.

She is the daughter of Mr. and Mrs. Bodine, an elderly couple who are fond of their daughter.

Ginger's father, played by Raymore Bruckman, is a good-natured man who was selected to make speeches. He was so disappoind that his as club. Ginger had to scrub a bear. It was the name of one of his speeches that Ginger decided to go out for the team.

Diane Roddick as Joan, and Dolley Jordan as Jeannie, play the parts of Ginger's two sisters. They are typical older sisters and are very fond of Ginger's spirit on the football team.

The maid who has been with the Carrillo family for many years is portrayed by Ellen Norton. She has always spoiled Ginger and she is still doing it.

Willie, football player's boy friend, Tammy, is a we I man who is played by Ken Ashby. He says that his best girl is on the football team and she does well. The exact opposite of his friend, Eddie, is played by Bill Bowen. He

CAMELBACK HIGH'S Girls' League is the biggest and most active club on campus. They sponsored the Color Day celebration Nov. 15, putting on a skit during the assembly and giving the dance after the South - Camelback game. On Nov. 23, they sponsored the annual Carnation Ball. This year the theme was "Emerald Mist," and blue - green hues decorated the gym. Later, on Dec. 19, they put on the Faculty Tea in the Drama Patio.

On Feb. 11, Mrs. Ross, from Flair Modeling School, came to Camelback to instruct Girls' League members in modeling. They were preparing for the annual fashion show March 19, which was sponsored by Hanny's, and featured teen-age fashions for boys and girls. In April, the annual money-making month, the competition was keen among the four councils. Each one put on project after project, vying for the prize to wind up the 57-58 year with a bang.

PRESENTATION of the scrapbook to the school by Roger Snider, Olympian Hi-Y President. The scrapbook was accepted for the school by Jim Sourant, Student Body President

THE OLYMPIAN HI-Y started off a very successful year with Ivy League Week, which ended with the Ivy Slide Dance. Both the Ivy League week and the dance were huge successes. Next, they sponsored a Christmas family, and presented a scrapbook to the school during the Christmas season. Shortly after the first semester, Olympian obtained club jackets and pins, and helped put on the Annual Sweetheart Ball in co-operation with the other Hi-Y's and Tri-Hi-Y's.

Quo Deo Tri-Hi-Y

QUO DEO HAS COMPLETED the year with many worthwhile service projects to their credit.

At Thanksgiving time they gave food and clothing to the Valley of The Sun School for handicapped children. The club brought Christmas cheer to many by helping with the "Toys for Tots" campaign and by presenting an adopted family with food and clothing.

Quo Deo collected \$113 at the "Mile Of Dimes" for the "Teens Against Polio."

They have sewn emblems on the uniforms of a sports team, had joint meetings with Hi-Y's from Camelback and other schools, and in March the club was formally inducted at services at the YMCA.

The Quo Deo officers spent two days at the Sky Y Camp in Prescott to learn more about the different duties of each office.

The club plans to keep up all the good work by having meetings throughout the summer.

Okihi Tri Hi-Y

THANKSGIVING DAY was truly a Thanksgiving Day for the needy family that the Okihi Tri-Hi-Y aided by taking them food and clothing. At Christmas time, the club, under the sponsorship of Miss Owens, went caroling and brought Christmas cheer to all those who heard them.

In order to build up the club's treasury, the Okihi'ers had a bake sale on February 13 in Park Central, which turned out to be a huge success. For their own entertainment, after working so hard, an ice skating party and a gym night were held in the spring.

Members of Okihi Tri-Hi-Y were officially inducted on February sixth at the YMCA. Since most of the club's members are Juniors, Okihi is looking forward to another successful year.

WORKING AT Samuel Gompers Clinic, dying Easter Eggs for the Crippled Children's Home, adopting a Christmas family, and passing out posters for the Easter Seal Fund were just a few of the outstanding service projects performed by Tri Koren Tri Hi Y, under the sponsorship of Miss Bunker.

In February, a swimming party was held at the "Y" for all old and prospective new members. Official induction into the club took place on March 27.

In order to add to their treasury, the club sold "Sparky Spartan" pins for students to wear at the big games. The group also sold tickets for the Square Dance Festival.

At the end of the year, Senior members leaving Tri Koren were given a farewell party by the Juniors.

SPAR-TEENS, a Y-teen club of the YWCA, started out their year by having an initiation for the new members at a Halloween Costume party. Ghosts, corpses, and black cats helped make the hilarious evening complete.

The "Hep Hop" sponsored by the Spar-teens after the North High-Camelback basketball game was the financial success of the year for the girls.

An annual campaign sponsored in the spring to raise money for the foreign exchange student was called "Share the Fare".

For the entertainment of the members every year the girls have a slumber party at Rosemary Lodge. Midnight snacks, wine roasts, a fashion show, and contests made a full evening — and night! We hear via the grapevine that the boys wish they could attend.

Teachers of Tomorrow

FUTURE TEACHERS of America is one of the most recently organized clubs on campus. Determination to succeed and the satisfaction of a career well chosen, mark the enthusiastic members and their sponsor, John A. Black, mathematics instructor. Though the organization is yet very small, it has high hopes of some day being one of the best on campus.

Future Teachers of America is beginning a new program next year by which senior students may help freshman teachers with their classes, and thereby learn for themselves the basics needed to become a good teacher.

Frosty the Snowman, carrying out the Christmas theme of the initiation, watched the proceedings with glinting eyes while, after the initiation, the new and old members enjoyed dancing and refreshments.

Speech and Drama are Their Lines

MASQUE AND GADEL is a club for students of drama and speech. The mask of the theater and the gavel of speech are the symbols of **Masque and Gavel**.

This club sponsored all the plays that Camelback High School gave throughout the year. The agenda of **Masque and Gavel** included viewing behind the scenes of a television studio and having well-known speakers come and speak about the techniques of drama and speech. Members previewed the plays and gave a "pep" rally for the students entering Rotary. **Bottom:** The officers of **Masque and Gavel** are, Dee Rudduck, Secretary; Jan Hoeksema, Treasurer; Naomi Oglesby, President; and Beverly Young, Vice President.

'Ginger' All - Star Football Player

"T ME OUT FOR GINGER", a lovable comedy, was presented February 28th through March 1st. Ginger, the star of the show, is a 15 year old girl who tries out and wins a position on her high school football team. You can imagine the situations which arise from that moment on. In this scene, Ron Briskman, playing the father, is talking to his problem child Ginger, played by Bo Bodine. Ginger's father is trying to convince Ginger that she can't do everything that a boy can. Ginger answers, "But Father, in the speech you gave today in school, you said that men and women are all created equal."

ALICE ELDRIDGE (above), the mother of Ginger, is talking over recent happenings in the family with Diane Rudduck, the oldest sister. Diane is explaining her problem, the role of leading lady in the high school play, a role she has and doesn't want!

IT SEEMS THAT EVERYONE has to get into the act. Ginger's boyfriend Ken Ashby, the studious type, tells Ginger he wants a lady for a girl friend and not a football player. Ron Briskman and Alice Eldridge watch with interest as Ginger informs Ken that Men and Women are created equal and she can do anything a boy can do, maybe even better. Despite all obstacles, Ginger makes her family and friends proud of her.

THE LETTERMEN of Camelback have been very busy this year. Their main activity has been patrolling the area around the cafeteria during both lunches. They prevented students from running, pushing, and shoving in the lunch lines. Because of this, Camelback's noon hour has changed from a stampeding herd of students to a calm, business-like bustle.

The Lettermen have also added many new members to the club. Only those boys who have shown real interest and sportsmanship have been allowed to enter. We are very proud of both old and new members.

THE PEP CLUB has been busy from the beginning of the school year. They have had more projects than just about any of the other clubs on campus. The biggest project has been the assemblies urging attendance to the track meets and the baseball games. They have had assemblies which have been a combination of trying to induce the student body to go to the baseball games and the track meets.

They have also been very active in the "Keep The Campus Clean" theme. The many posters they have put up have helped very much to urge the student body to throw trash into the trash cans.

And . . . Away We Go!

THIS YEAR THE CAMELBACK Ice Skaters Club is celebrating its second birthday. Starting from a small membership in 1956-57, this club has almost doubled its enrollment.

The members meet every week at school, and every other week drive to Iceland where they enjoy the refreshing environment and the cool, smooth ice.

Some of these members, at the first of the year, were mere beginners, but have advanced a long way since then toward better control and enjoyment.

Color Day Award Winners

HERE, Mary Dangerfield hands out the awards given to the best dressed Spartans of Color Day in the Color Day-Pep Assembly held in our gym in November. Winners were: Sharon Habib, Janet Henry, Pam Dyer, Judy Leech, and Maureen O'Neil.

Merry Christmas!

DURING the week before Christmas, the student body presented its annual Christmas assembly. Entertainment was furnished by the A Cappella Choir. There was a reading of the Christmas story and of course . . . Santa Claus.

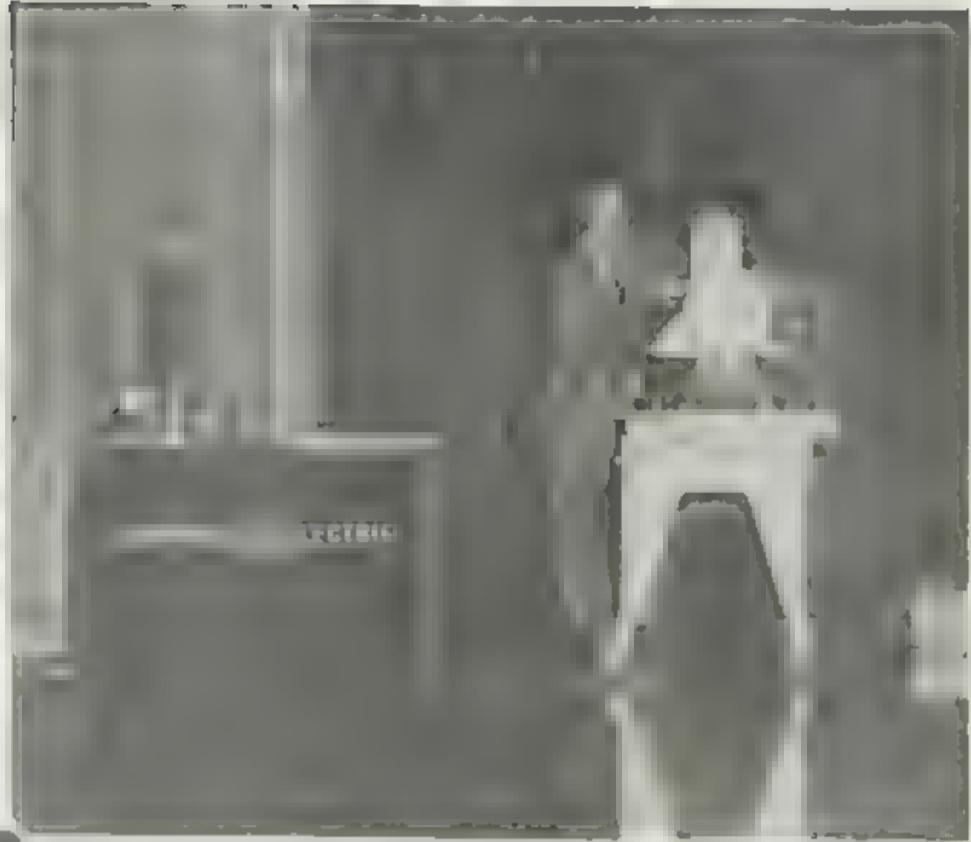

Beat South!

IN FEBRUARY, loyal Spartans supported their team at the last home basketball game of the season. A pep assembly was presented to the student body during the same day. Here, Joe Bechtol portrays Zorro, the villainous mascot of the Rebels.

Science on the Move

OF ALL THE numerous assemblies Camelback had this year, one of the most educational and interesting was given by the research division of General Electric Company. A representative demonstrated new developments in several different fields—including a look into the future!

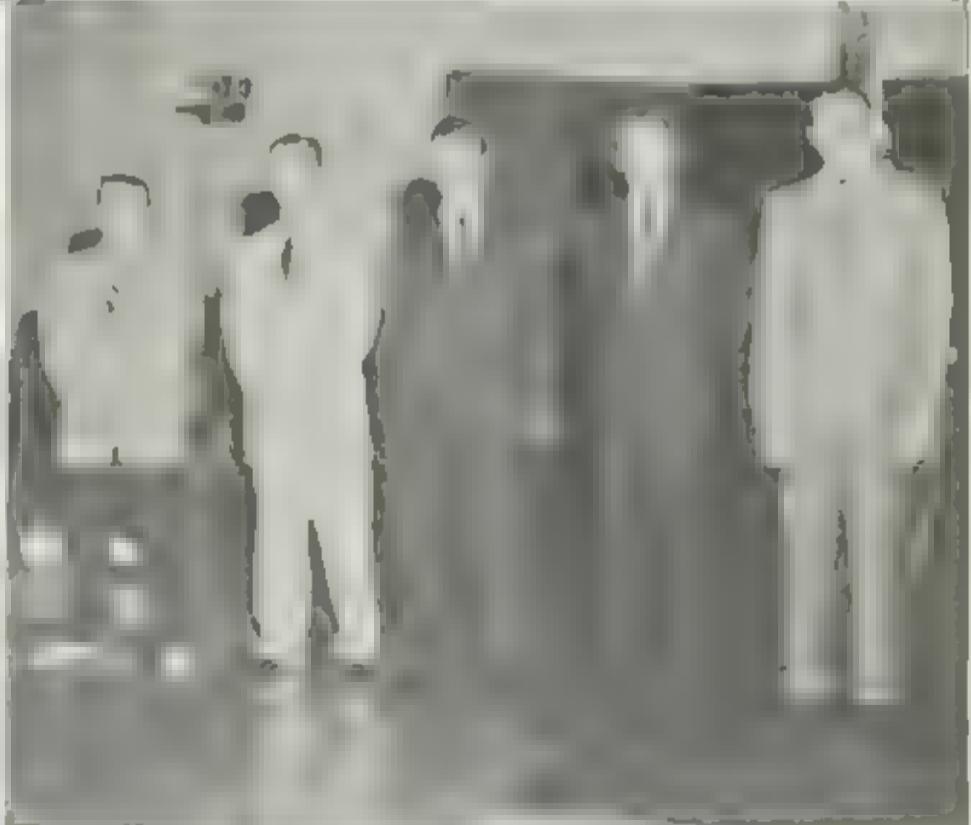

The Queen . . . ?

EACH YEAR, Camelback has to make the hard decision of choosing which boy and girl is to be that year's Homecoming King and Queen. In an assembly in October, the candidates were presented to the student body. These lovely beauties vying for the title of Queen are: Linda Amos, Mary Lou Campo, Lu Craig, Suzi Gerber, Carol Gugliotti, and Joan Johnson.

The King . . . ?

AT THE SAME assembly, the candidates for king were presented. Nominations were made, not only for looks, but for leadership and their participation in school activities. These handsome specimens are: Eddie Spicer, Jim Sourant, Bob Reade, John Myers, and Ken Harris.

THE POM-PON GIRLS and Cheerleaders help to lead the ardent rooters after assemblies on Color Day, November 15

THE POTENTIALITY of the Spartans cannot be equated by this line of West High Thunderbirds. The Spartan's line is supported by Larry Colquette, Ed Spicer, Sonny Mott, and Joel Myers

ED SPICER brings down a Glendale Cardinal with the assistance of John Power (59), Con Englehorn (80), and Bob Wheeler (65)

THE CAMELBACK VARSITY football team started their 1957 football season at Phoenix College against an impressive West High team at 8:00 P.M., September 27th. West took the lead with thirteen points in the first fifteen minutes of the first quarter. In the next two quarters West gained seven more points. Camelback completed a number of pass plays and there were numerous penalties against each team. The fourth quarter brought Camelback the only two touchdowns of the game. Outstanding players of this contest were Eddie Spicer and John Power. Final score was Camelback 12 - West 20.

AT MONTGOMERY STADIUM, home of the Phoenix Union Coyotes, Camelback's victory seemed to be evident until the end of the second quarter, when the Coyotes staged a remarkable comeback. Injuries were numerous in this game. Final score, Camelback 12 - Phoenix Union 31

ONE LONE SPARTAN, John Power (19), is overpowered by a pack of Coyotes

GLENDALE WAS the next game site for the Spartans. The Cardinals made the first touchdown, but were deprived of it because of an offside penalty. The Spartans ran for their first touchdown in the first quarter. Glendale followed by getting their first. School spirit was high in the first quarter. Again in the second quarter, Camelback made six points. The end of the third quarter brought a drop in the Spartans school spirit. Jim Sourant and Eddie Spicer were the outstanding players. The final score was, Camelback 12 - Glendale 34.

AGAIN AT NORTH, Camelback lost to a confident Scottsdale Beaver team, which fought its way to its first victory in Class AA competition. A decisive factor in the downfall of the Spartans seemed to be due to fumbles. Final score, Camelback 6 - Scottsdale 20.

JOHN POWER (19) is ready to give assistance to Jerry Schmuhl (23) as they gain ground against the Scottsdale Beavers

A GOOD TACKLE is made by Ken Harris (4) as Bill Wheeler (25) is close behind.

A MUDDY PLAYING FIELD does little to stop the ability of Jerry Schmitz (25) as he goes in for a touchdown for North High Mustangs.

OCTOBER 24th marked the fourth meeting of the Camelback Spartans and the St. Mary's Knights. Camelback lost possession of the ball in the first quarter and St. Mary's ran for a T.D. There were several completed passes by Camelback in the first two quarters. Another touchdown in the third quarter by St. Mary's brought the total to fourteen. Final score was Camelback 6—St. Mary's 14.

THIS GAME WAS played in Mesa against a powerful Jackrabbit squad. More pass plays may have helped Camelback in this game. The end of the game score was Camelback 24—Mesa 51, and left Camelback down-hearted for a forthcoming Spartan-Rebel clash.

BOB FENNER (74) seems to have way out as he is trapped by two Mesa Jackrabbits.

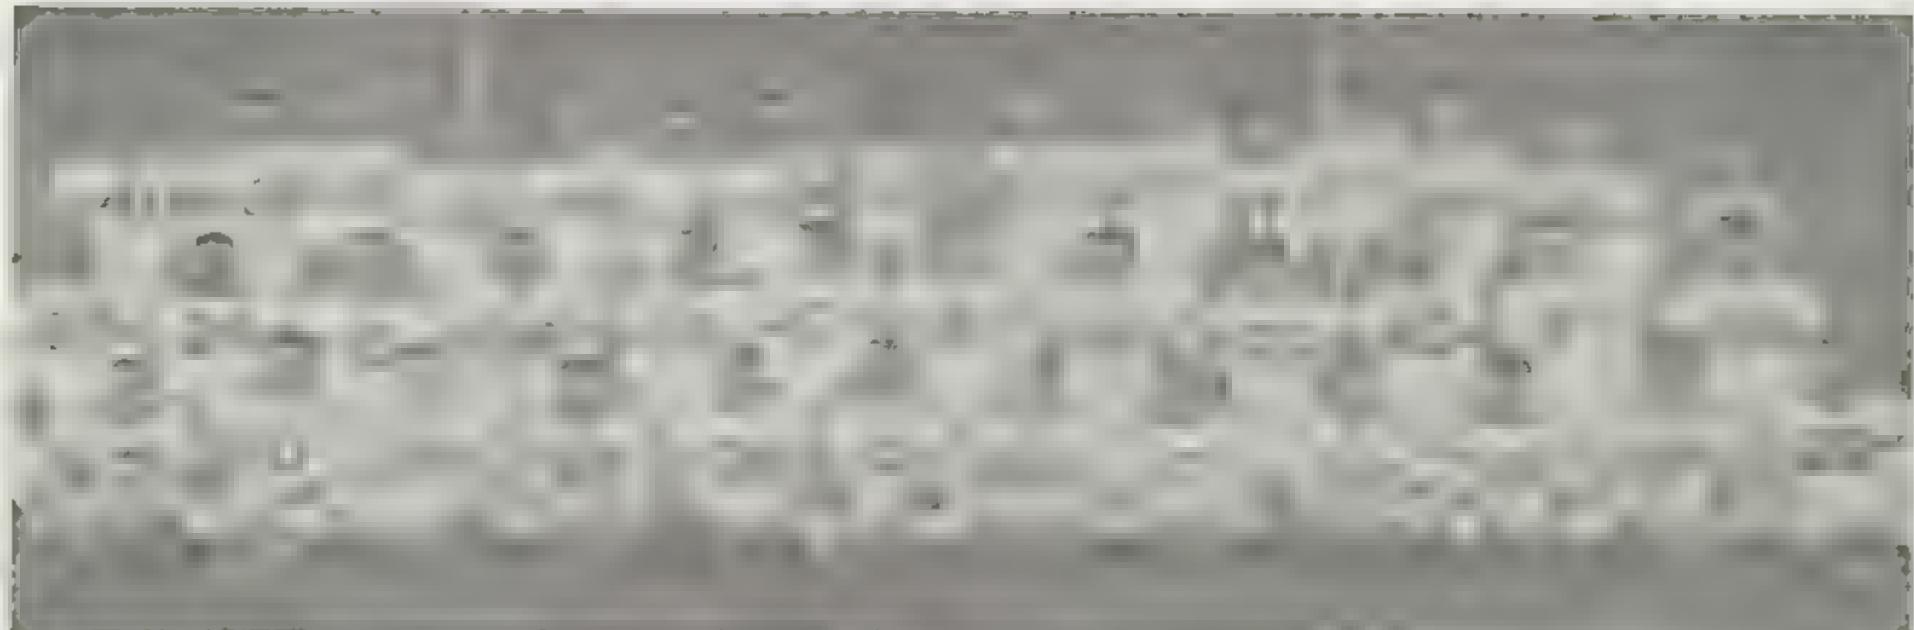

THIS WAS OUR home game played at North High against North High. At this game during halftime the Homecoming Queen was crowned. The North High Mustangs kicked off and ran for two touchdowns in the first quarter, good for 12 points. During the second and third quarters North added 26 more points to their score. At the kickoff of the last quarter of the game, Camelback got their first 6 points and another T.D. at the end of the game End of the game score was, Camelback 12—North 43

BY THE TIME the South game rolled around, Camelback was completely disgusted with its past seven losses; and was determined to win this final game of the 1957 football season. For the second year in succession, however, South High has retained possession of the Spar-Reb trophy Final score was 37-7

A SOUTH Mountain Rebel is downed by Ken Madd (11) and Bob Fenner (31).

Varsity Footballers

Coach Bob Ruman

"NO VICTORIES but lots of pep" is the story of our most disastrous football year. We can of course claim a "perfect winning score" and Beginning the year with a green team, much credit must go to coaches Eddie Ruman, John Hughes, and Jim Minard, who have taught their players the best playing techniques, and most of all, the outstanding sportsmanship that these Spartans have displayed in every game in which they have indulged. A few of the players whose accomplishments deserve commendation are Eddie Spicer, a backfield man, who is a senior, and although small, really packs a lot of action into his uniform. John Power, a quarterback, who is a junior, seems even more promising for next year. Jerry Schmuhl, a halfback, who was usually seen carrying the ball, did very well this year. Ken Harris, an end, helped Came back in their passing plays; Jim Minard and Jim Sourani, both seniors, sure could hit that line and bring down their opponents. Bob "the Toe" Bramlet, also a senior, after numerous attempts, finally came through with a good kick. Joe Valdez, who has been the equipment manager at Came back the past three years, has been like a father to every player. Joe would probably say something like "WAIT UNTIL NEXT YEAR" if asked about the 1957 football season.

Coach John Hughes

THE JUNIOR VARSITY football team again this year was expertly coached by Coach Bill Mann. Mr Mann was assisted this year by one of our Biology instructors, Mr Leon Jordan. The record of four wins, three losses, and one tie was a great satisfaction to both coaches and players. Outstanding among a host of good players this season were Bob Barber, Squire Jones, Dick Henry, Mike Wood, Halfback Paul Faulkner, and Quarterback Everett Bateman. THIS YEAR MARKED the debut of the Came back FRESHMAN "B" Football team. Mr. Russell Jacobs, a mathematics instructor, helped out this year and coached these young prospects for the Varsity gridiron. Considering that this is the first year Freshman Pee Wee football was attempted, they did remarkably well, and if they do as well in the future we may have a very good team when they reach Varsity status.

Varsity Basketball

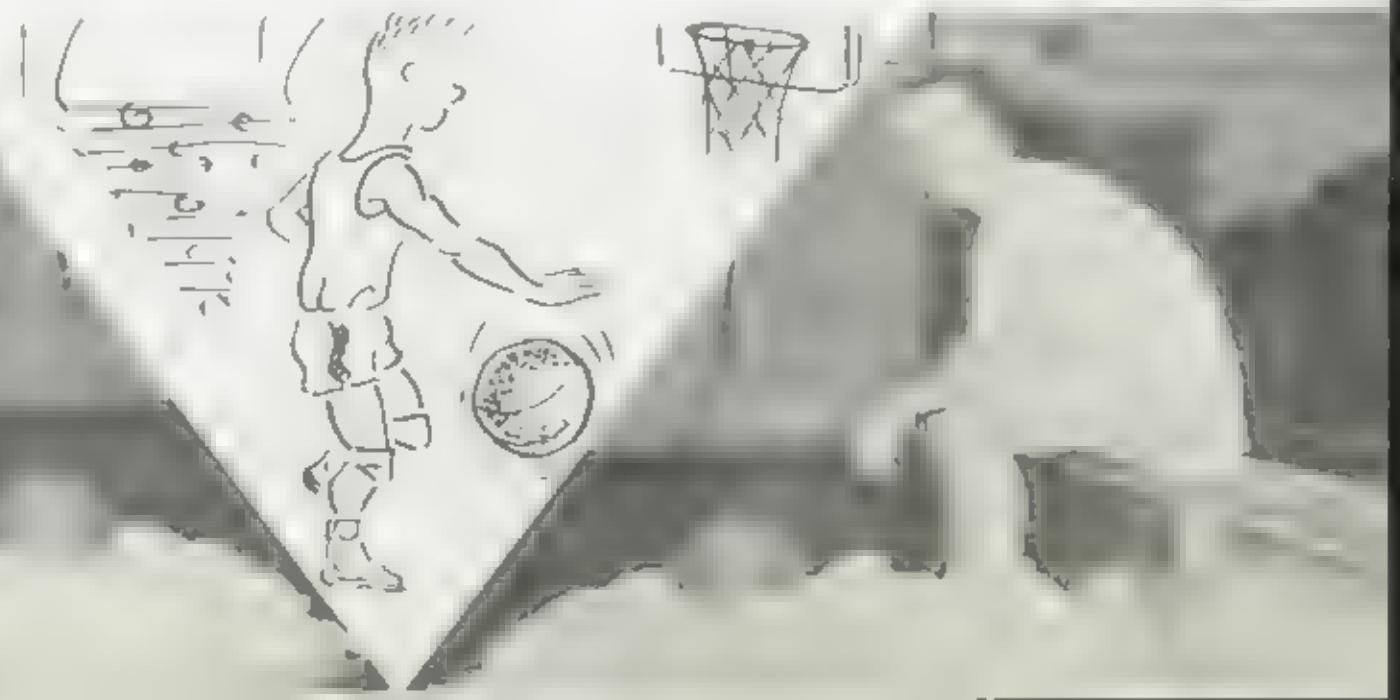

CAMELBACKS 57-58 BASKETBALL SEASON started on Friday December 13, 1957. Considering the stiff competition and the fact that most of the players are new-comers to the Varsity squad, this has been a very successful and highly

exciting year. On the following pages are pictures of each of the players, the coach, the managers, and a few of the games. There are also facts and figures on each of the eighteen games.

RIGHT Paddy Clark (15) makes a good shot over Pedella's (32) head in the Phoenix Union game.

OUR BASKETBALL SEASON started on Friday, December 13, 1957. By halftime we were ahead of Mesa, 25-6; and by the end of the game we had raised that score to 51-15. Harris was our high scoring man of the night with 15 points.

The next night, Saturday, December 14, we played Catalina. But this time victory wasn't so easy. At the end of the first half they were ahead, 17-21. But this was not the end! With the help of our high scoring man, Hank Phyle, who scored 12 points, we ended the game with a victory of 38-37.

Friday, December 20, we played Phoenix Union. By the first half of this game they had us trailing 17-25. Even with the help of our high scoring man, Harris, with 16 points, we could not pull out of it and sank back into defeat of 49-35.

At the beginning of January we played two Christmas basketball Tournament games. One was a victory for us over Tempe, 44-24. This was with the high scorer, Wahlin with 10 points. But the other game was a disappointment. The next night we played a game with Sunnyslope and, even with the 15 points Harris made, lost it 31-39.

AFTER THE CHRISTMAS break Camelback got back into the swing of things v a game with the Rebels. Tuesday, January 7. The boys played with everything they had and by the end of the first half, the score was 21-11, our favor. With the help of our high scorer, Wahlin, who made 13 points, we ended the game with another victory. The score was 45-32.

On Friday, January 10 we played North High with winning results. Camelback was ahead 22-10 at the end of the first half, and with Phye's contribution of 13 points the game ended with a victory of 56-47.

On Tuesday, January 14, Camelback played St. Mary's in our gym. The score was 13-13 at half time. By the end of the game, with the help of Phye's 16 points Camelback managed to pull ahead and made a victorious ending of 45-34.

On Friday, January 17 we played South Mountain, the hardest of our victories. The boys fought hard only to see the score flashing 25-29, South holding the lead at half time. Camelback then came back fighting the second half and switched the score around until the game ended 53-50, our favor. This couldn't have happened without Phye's 7 points for free throws.

MIDDLE: Eddie Gilbert, shooting a free throw in the game against Scottsdale High. Middle: Gilbert was one of the best free throw shooters in the game against Scottsdale. Right: The ball was then passed to Harris and was made a perfect shot.

THE SECOND GAME of the season was played against Mesa, Wednesday, January 22, at Mesa. The Spartan five didn't do as well this time. By half time, Mesa was ahead 17-7 and, even with Power's 10 points, we were beaten 48-30.

Friday, January 24, we played West Phoenix and had a tie at 21-21 by the end of the first half. But, with the help of Phye's 12 of his 11 points, we won the game 43-40.

On Tuesday, January 28, we lost our third game, this time to Phoenix Union. Even with Harris's contribution of

13 points, P.U. was ahead at half time with a score of 16-21 and climaxed the game with a score of 38-40.

On Friday, January 21, we played our closest game of the season. This one was with Scottsdale. A tie at 16-16 at the half, a tie at the end of the game, and a tie again in overtime, made this a game to remember. With the backing of hundreds of Camelback students and with exceptional skill by the players, the game ended with a score of 43-40, our favor. Phye scored 11 of the 43 points.

ON TUESDAY, February 4, we began our losing streak. We played North High and were trailing 23-25 at half time and at the end of the game with a score of 46-47. Clark was our high scoring man with 14 points out of the 46 points we made.

On Saturday, February 8, we lost another game; this time to Pueblo. We had them at half time 25-16, but at the end of the game there was a tie. After the overtime the scoreboard showed Pueblo had won 54-47. Power was our high scoring man with 16 points.

On Friday, February 14, we lost the third game of our losing streak to South Mountain. They led through the game with a half-time score of 22-17 and an ending score of 45-33. Power made 12 of our 33 points.

On Saturday, February 15, the repeat happened with Tucson. The halftime score was 28-20 and the ending score was 57-39. Harris was the high scorer with 14 points.

The last game of the season ended in defeat with West High. The Thunderbirds led all through the entire game with a half time score of 26-22 and ended the game with a score of 57-47.

THE JAYVEES had a very impressive record this year with 13 wins and only 3 losses. The three games lost were hard fought and close. The Junior Spartans lost both Mesa games and the second Phoenix Union game by narrow margins. Their winnings were many and their sportsmanship was great. Another team added to the Camelback list of greats.

Varsity Sluggers

AS THE YEARBOOK went to press, the Varsity Spikers were just beginning a full schedule with a 1-3 win-lost record. They lost their opener to the young Carl Hayden team, 4-5. Next they traveled to Scottsdale only to be beaten again by a tough team 1-4. The following week

they scored an overwhelming 15-2 win over our arch-rival, South. At home again, they were beaten by the Thunderbirds of West, 2-8, in the last game before press time.

Varsity Trackstars

MIKE EMMETT making it over the pole vaulting bar by a shirttail. He made this jump in a meet with Phoenix Union.

THIS IS THE FIRST YEAR of track for many of the varsity track boys, but this looks like a very promising year. We have lost many good boys in graduation, but have gained some very good prospects in the process. Every boy who has joined up with the team and shows interest and ability will make a varsity letter and from the looks of things, there won't be a boy who joined the team who will not make a varsity letter. The whole school body, as well as the coach, is very proud of the team.

JIM BAYLOR leads in the low hurdles with Wendell Coats coming in second in a J.V. meet with Phoenix Union.

THE J.V. TRACK TEAM has gotten a number of first year members who look very good. The first couple of games have been very good, and the long range outlook for the J.V. Track Team looks excellent. The boys have worked hard in training and are now in good shape. Everyone on the team looks as though he will get a J.V. letter in track. The coach has worked the boys hard, and is now talking very highly of them. The student body and the coach have a right to be proud of the team.

First Year Tracksters

HERE, DON DUXBURY is making a broad jump of the type which helped rack up points in a meet with Phoenix Union.

THE FRESHMAN TRACK TEAM has had a very good turnout this year. They have had about thirty people who have made the team. The coach has worked the boys very hard, but every one of them has stuck to it and is in top condition for the meets. The coach, as well as the whole student body is depending on the boys, but we all believe that they will do their best. We are all proud of the whole team.

JIMMY SMITH, although you may not be able to tell it, is winning a match with one of Phoenix Union's J V boys

THE J.V. WRESTLERS did as well as, if not better than, the varsity team. The J.V. team racked up nine wins to only four losses. They beat every one of their opponents at least once during the season. Although they do not keep track of how the J.V. team holds up against their opponents, we feel that ours was one of the highest ranking, if not the top. Bob Wagner was the only one of the boys to go through the whole season undefeated. He was not only a good J.V. man, but he also took over for one of the varsity men in the State Tournament. Needless to say, he made a varsity letter.

The Academic Side of our School Life

FREQUENTLY NEGLECTED in yearbooks because of the difficulty of picturing class work, it is still the most important, in fact the reason for our school. Each student remembers the things he has learned long after the sadness of a lost game has been forgotten

... The Magic of Numbers

MR. FRANK ANDERSON, Solid Geometry instructor, had his students make models for their semester projects. These models were on display in the library from March 28 thru Apr. 7. They consisted of intricately fashioned pyramids, cones, spheres, and skew quadrilaterals. Many interesting books on the subject were also on display.

We Learn about Life . . .

WORKING ON BIOLOGY projects from the biology department are Nita LaFitte, Ellen Roca and Randy Ware (upper pictures)

Students may choose any project they are interested in and during their spare time, come into the lab and experiment. Randy is working to show effects of gibberellic acid and indol acetic acid, common plant hormones, on ordinary plants such as peas and beans.

The purpose of Nita's project is to determine the effects of a bread and water diet on white rats. She has caged up two rats feeding one on the regular nutritional diet and the other on strictly bread and water. These, at the end of a certain length of time, will be carefully compared and weighed, although you can already see the comparison.

Ellen Roca, a sophomore is breeding *Drosophila* or Fruit Flies genetically.

She is crossing them under special conditions and carefully calculating the results. She and Rose Ingraham have their goals set to produce a one-eyed fly.

Juniors, Jane Fisher and Sherry Kingery, (below) are applying nicotine applications to the skin of white rats to determine if cancer can be caused by excessive use of tobacco.

Wesley Press and Mike Rosen are among the many attending the night classes of advanced biology taught at Camelback. The students buy their own materials since this is a non-credit class. It's composed of students willing to learn more about biology and who are willing to give up their spare time at night.

...and Apply What We Learn

WORKING ON THEIR new instrument (above) are Jim Allen and Lew Kruglick. The instrument is a Pyrohelimeter which measures the sun's radiation.

Jim, at the world's first Junior Solar Symposium, of which Lew is the chairman, won first place in special applications of solar energy.

Marilyn Davis and Joan Johnson are holding two of the rabbits they have injected with diethylstibestrol and estrogen hormones. They are trying to determine whether or not this will affect the internal organs of the animals. Also they are comparing the weight of the rabbits.

Experimenting on how pepsin acts on Proteins are, from Mr. Jordon's biology class, Pat Poplawski, Linda Fike, Kathy E. lot Jeannette Williams, Frances Fish, and Claudia Boyer (below).

In this experiment, cooked egg whites were placed in a tube with pepsin and strong hydrochloric acid to produce peptones. These peptones were indicated by a violet color.

Working in Mr. Coffer's chemistry lab is Ed Morgan and Norman Thompson (also below).

They are doing fractional distillation of crude oil. Already they have produced gasoline, kerosene and other oil derivatives.

UPPER PICTURE Representatives to Girls' State, Mary Dangerfield, Vonnie Gastineau, Bo Badine, and Teddy Muzzy are receiving certificates from Mrs. Doucet. Lower: Alternate representatives to Girls' State are Sally Armie, Karen Kraemer, Jan Glover, and Diane Lichly.

ONE OF THE GREATEST honors that can be given to a Junior student is the opportunity to attend Girls' State or Boys' State. Representatives are chosen on the basis of leadership, character, honesty, scholarship, and courage. For the first time, the students of Camelback have as many as four girls and six boys representing them at Girls' and Boys' State. The girls will meet in Tucson and the boys will meet in Flagstaff.

The purpose of Girls' and Boys' State is to bring a knowledge of the fundamental principles of American government, through actual practice, to the girls and boys of Arizona. We wish our representatives from Camelback the best of luck in certainly one of the most interesting and worthwhile experiences they will ever have.

Youth Governs Our State

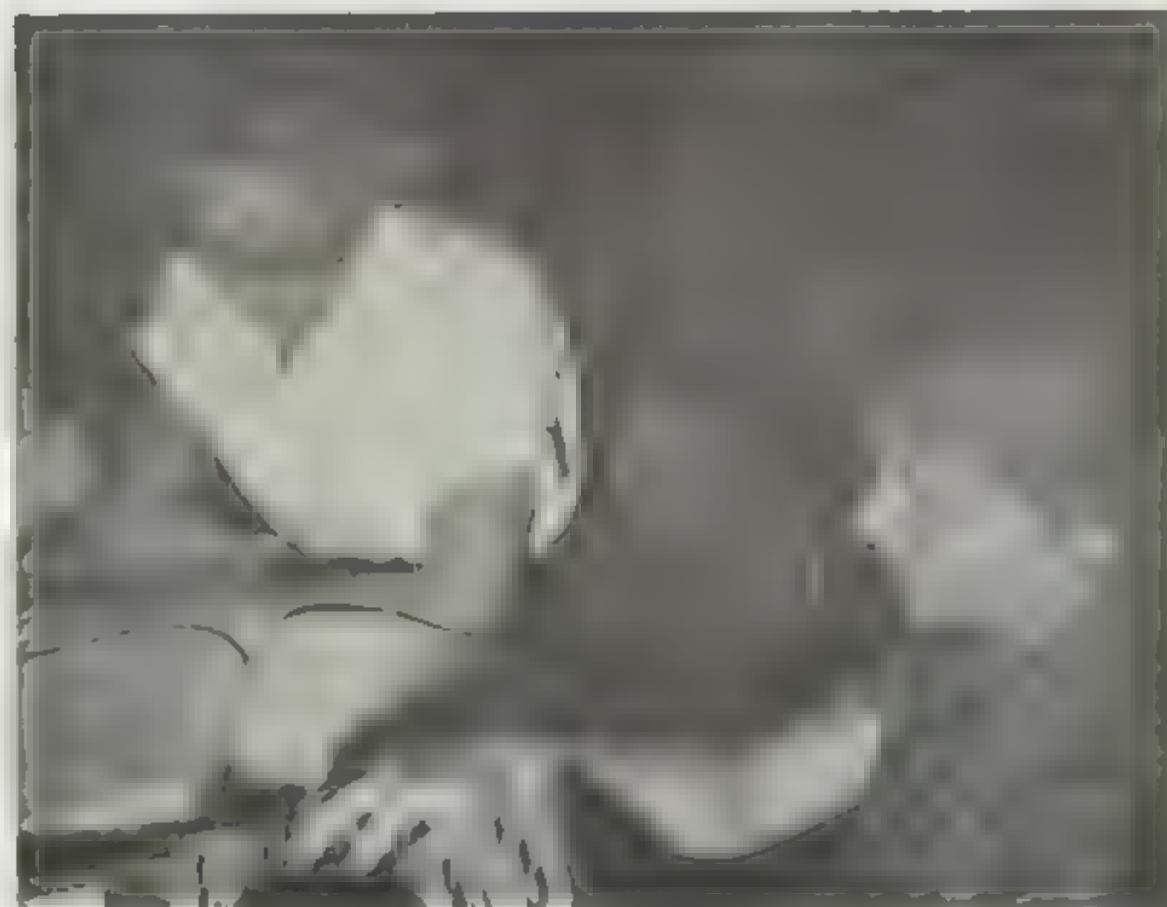

THESE BOYS will be representing Camelback at Boy's State this year. Front Row: Don Graves, Charles Young, alternate, and Mike Rosen. Back Row: Peter Rose, alternate, John Power, Buzz Fedderson, and Eddie Gilbert. Also representing Camelback is Peter Drake, not pictured.

There Are Many Aids . . .

ALL LEARNING is not done in the classrooms and two of the more important aids to education are found in the library (above) and in the audio-visual department. The library of 11,000 volumes serves 600 to 800 students per day. Displays of ceramics, mathematical models, art, industrial arts, foreign language, or United Nations are nearly always on exhibit. Files of pamphlets, pictures and career booklets are popular parts of the library files.

Another busy division of the school is the audio-visual aids department (below). Forty-one boys and fourteen girls aid Mr. Miller and Mrs. Starr in showing more than fifteen hundred films and film strips yearly, operate the public address system at games, parties, concerts, plays, programs and other functions as well as make tapes, operate recorders and players and opaque projectors.

FRIENDLY NEIGHBORS

Around the World in Assembly

FOREIGN EXCHANGE students from France, Austria, Portugal, Norway, and Switzerland combined their talents with the talents of our own students to give us one of the best assemblies we have ever had!

Our own Jacqueline de Vulpian instructed some of our students in a Paris street scene. The other visiting students directed companies in characteristic scenes of their countries.

After the assembly the foreign exchange students signed autographs to help promote the "Share the Fare" drive to bring over our next foreign exchange student to Camelback.

YEAR Camelback High's comes the nation's first high school Civil Defense Club. Seen in the photo are Doug Myer, club president; Jeff Gaze and Kent Corbin.

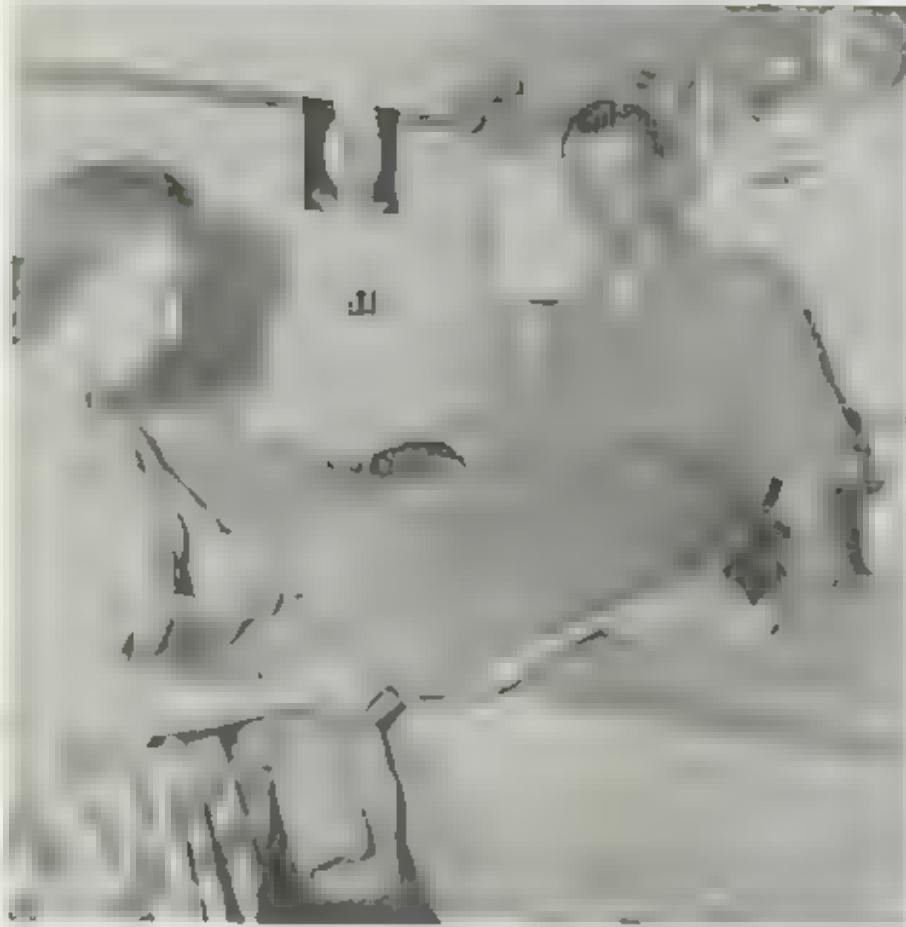

LYNN CONNIN, Linda Daly and Jeannette Williams are three of many girls who collect the attendance and assist the waitresses in the Cafeteria Office.

COMPLICATED . . . say this machine operated by the boys in the Audio Visual Department, plays the leading role in showing the educational films at Camelback.

I WONDER . . . if those who read and enjoy this yearbook . . . are aware of the numerous people who have given so generously of their time and effort to construct it . . .

The staff of the "Shield", whose job it was to design and compile the information herein, knows of the work and long hours required to produce a book like this. I compliment those who gave up their semester vacation and contributed many hours of their own time after school to help meet the deadlines.

The administration and faculty have been most cooperative in helping us with the many problems which have arisen. This year's staff of the "Shield", which was almost totally inexperienced, has been expertly guided by our friend and sponsor, Mr. Garrett. Last, but not least, I would like to thank our advertisers for their cooperation with our salesmen and our advertising manager.
